

Picture That!

Directions: Now that you have learned about the American and the Home Front during the war it's time to design your own military vehicle!

You need to include:

1. Create a name for your vehicle.
2. Choose one branch of the United States military (Army, Navy, Air Force, Marines, or Coast Guard) that your vehicle will be used for.
3. Design a form of protection for your vehicle.

Draw your design here:

A large, empty rectangular box with a thin black border, intended for drawing a military vehicle design. The box occupies the lower two-thirds of the page.
